

Abubakr Elmallah

17-year-old, 5.4 GPA IB Diploma Junior seeking opportunities to apply my skills in computer science and leadership in a challenging and collaborative environment.

EXPERIENCE

STEM Extreme Club, Trabuco Hills *Director of STEM Workshops*

2021 - 2022 School Year

Muslim Student Association, Trabuco Hills *Secretary*

2021 - 2022 School Year

THHS Competitive Programming, Trabuco Hills *Treasurer*

2022 - 2023 School Year

Computer Science Club, Trabuco Hills *Vice President*

2022 - 2023 School Year

Muslim Student Association, Trabuco Hills *President*

2022 - 2023 School Year

EDUCATION

I had straight As throughout middle and high school.

Relevant Classes:

School Courses:

AP Computer Science Principles and AP Computer Science A
Chemistry Honors and Physics Honors

I plan on taking AP Physics C and AP Chemistry next year

College Courses:

Business Programming - Java

Python Programming

iPhone and iPad Swift Programming
